

# Coronavirus Update

In light of the on-going restrictions we have made a few changes to our operating systems here at Fruix Storage. We apologise for any inconvenience that this may cause, but the health and safety of our staff, customers and suppliers is our priority.

Fruix Storage encourages you to get in touch with Andrew directly if you have any questions. His mobile number is **07787180399**, email is [andrew@fruixstorage.co.uk](mailto:andrew@fruixstorage.co.uk)

## **Store Opening:**

Fruix storage will remain open 7 days a week for all customers with an **essential requirement**.

The security barrier is still in operation so only access the yard between **7am and 6pm** to avoid using the keypad.

## **Store Access:**

Currently the hirer has exclusive access to their unit or container. All doors are external doors so by limiting visits we can limit risk.

We do have units that are used by keyworkers so we are following Government's instruction to minimise contact with others and therefore all customers must only drive to and **enter their own unit** and must observe the Government's [social distancing guidelines](#).

## **Store Cleaning Routines:**

We have intensified the cleaning routines for units between customers. Disinfectant/hand sanitiser is available at the entrance/exit.

## **New customers:**

Please send an enquiry by email or telephone Andrew on 07787180399 to discuss storage requirements. We have a lot of information on our website and a video to give you a clear idea of the facilities available here. Please take a look at [fruixstorage.co.uk](http://fruixstorage.co.uk)

If you are showing any symptoms of the Coronavirus, or have been in contact with anyone showing symptoms, we ask you to please stay at home. For more information go to [nhs.uk/coronavirus](https://nhs.uk/coronavirus).

**Thank you for your support.**
